

Prescription Drug Extra Help Checklist

Did you get Extra Help—Low Income Subsidy Assistance—paying for your prescription drug costs in 2009? To get assistance again this year, you must apply for recertification. Or maybe you already get Extra Help in 2010, but your co-pays and premiums are higher than expected. In either case, you can submit copies of your Best Available Evidence to WellCare.

Best Available Evidence are documents that show you qualify for Extra Help. Once WellCare validates the Best Available Evidence with Medicaid/Medicare, we will update your Low Income Subsidy Assistance status as quickly as possible.

Documents that show you qualify are listed. Please send a **copy** of one or more documents from the checklist, and mark the documents you send. (Include this checklist as well.) To view examples, please visit www.wellcarepdp.com.

- Medicaid card that includes name and eligibility date
- Social Security Administration (SSA) award letter to determine eligibility for full or partial subsidy
- A state document or electronic enrollment file that confirms active Medicaid status
- Screen print from your state's Medicaid systems showing Medicaid status
- Other documentation provided by your state showing Medicaid status
- State document showing Medicaid payment for a full calendar month
- Screen print from your state's Medicaid systems that shows Medicaid paid for a stay of at least a full calendar month at an institution

Fax or mail the **copies** of your Best Available Evidence along with this checklist to us. Please include your name, subscriber ID and phone number so we may contact you directly with any questions on the documentation that is received.
